

Northlands College Policy Board of Directors Policy Development and Review

POLICY STATEMENT

In accordance with the *Regional College Act*; the Northlands College Board of Directors shall formulate general policies for the college concerning organization, administration, personnel, operations and courses of instruction of the college.

GUIDELINES

1. The Board of Directors shall be responsible for adopting and adhering to policies that:
 - assist the Board in determining and assessing college direction, overall performance and effectiveness by providing a process for regular review of college operations;
 - are proactive, outcome based and focus on the long term;
 - advance Northlands' strategic direction and are consistent with government directions and priorities; and
 - strengthen Northlands' relationship with its respective stakeholders.
3. Board policies will focus on organizational results/outcomes, executive limitations, board/staff relationship, and the process of governance.
4. Policies and procedures relating to the day-to-day administration of the college are the responsibility of the President & CEO.
