

BACHELOR OF SCIENCE IN DENTAL THERAPY [B.Sc.(DT)]

TWO-YEAR DEGREE

LA RONGE, SK

SEPTEMBER 2026 – JULY 2027

NORTHLANDS
COLLEGE

PROGRAM OVERVIEW

The Bachelor of Science in Dental Therapy (B.Sc.(DT)) is a fast-track, two-year program designed to prepare you for a rewarding career in oral health care. Learn to provide exams, x-rays, fillings, crowns, and extractions. Build skills in preventive care like fluoride treatments, sealants, and oral health education. Serve communities across Canada and help improve access to dental care. Graduate ready to work in private practices or community-based settings.

ENTRANCE REQUIREMENTS

- Please go to the University of Saskatchewan, College of Dentistry, Dental Therapy page for the specific requirements for High School Graduates, Mature Students, Dental Hygienists, Internationally Trained Dentists, Indigenous Applicants, and Saskatchewan Residents.

ACCREDITATION

APPLICATION DEADLINE

Fall 2026: Feb. 15, 2026

HOW TO APPLY
